

Special Exhibitor Parking

AREE has made arrangements with the Atlantic City Convention Center to provide special parking for AREE exhibitors.

Passes will be sold by the ACCC in a designated area at the freight gate. The cost is \$15 per 15 feet per day. (If a vehicle is larger than 15 feet then they would be charged \$30 per day for two spaces). The lot is located outdoors on Ohio Avenue and has approximately 400 spaces available.

Exhibitors purchasing the parking passes will be able to come and go within a day without paying each time.
